This matter comes before the Public Service Commission of South Carolina ("Commission") on the Petition of SimpleDSL, LLC ("SimpleDSL" or "the Company") for Reconsideration of Commission Order No. 2008-705, which revoked SimpleDSL's Certificate of Public Convenience and Necessity for failure to file its Annual Report. The Company discussed in its Petition some confusion about the filing date for the report, and some issues with regard to past overstatements of income on the Company's federal income tax returns. The Company has now filed its Annual Report. Accordingly, we grant the Petition for Reconsideration and reinstate SimpleDSL's Certificate of Public Convenience and Necessity.

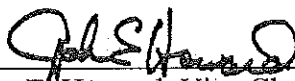

We would note, however, that the Company appears on a list attached to a Rule to Show Cause in Docket No. 2008-401-C. The Rule to Show Cause in this Docket addressees those companies which have failed to file Universal Service Fund (“USF”) Reports. If this Commission grants the Rule and Petition filed by the Office of Regulatory Staff as to the Companies presently stated as having failed to file Universal Service Fund (“USF”) Reports, SimpleDSL’s Certificate of Public Convenience and Necessity will once again be revoked. This Commission encourages SimpleDSL to resolve this matter concerning its USF Report as soon as possible, so as to avoid another revocation of its Certificate of Public Convenience and Necessity.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

Elizabeth B. Fleming, Chairman

ATTEST:

John E. Howard, Vice Chairman
